### **SNIPPETS:**

- Our President Peter Jacobs recently celebrated his 70<sup>th</sup> birthday - Congratulations and may you have a happy and healthy year.
- Well done to Shirley Tebbut on her successful hiking year last year - keep walking!
- Kyla has had her last chemo session and is now in remission - we would like to wish her and Colleen all the best and may she go from strength to strength.
- Amy is doing much better after her nasty KZN scare and looking great with her hair growing back.
- Bella, our Puppy of 2002, is doing remarkably well after her leg surgery. According to a reliable source, she is still eating lemons off the tree and bouncing around.
- Remember the 'End-of-year' function last year - Many thanks for all the thanks and congratulations we have received. It was an enormous success and a once again, a huge thanks to the members for making the evening such a fun one. The video that was shown at the function will shortly be available for sale - any member who would like a copy, please contact us.
- We have had a lot of handlers entering Open Shows recently and am happy to report that the success rate is high - well done to all of you.

Any member who has any snippets to share, please feel free to do so.

Until the next 'news letter'.....sit, heel, stay and more importantly, have fun!!
